Aprašymas

The **Dahua SD1A404DB-GNY** is a high-performance **4MP 4x Starlight IR WizSense Network PTZ Camera** designed to meet the demanding needs of modern security systems. Featuring a **1/2.8" 4 Megapixel CMOS** sensor, this camera delivers stunning image quality with a resolution of up to 4MP, ensuring that every detail is captured clearly. The integration of **Starlight technology** enhances low-light performance, providing excellent color images even in challenging lighting conditions, making it a standout choice among its competitors. This model also offers a remarkable **4x optical zoom**, allowing you to zoom in on subjects without losing image quality, further bolstering its versatility for various applications.

In addition to its impressive optical capabilities, the **Dahua SD1A404DB-GNY** includes advanced features such as **perimeter protection** and **face detection**, enhancing security by responding to unexpected movements or recognizing individuals. The camera operates at a maximum of **25/30 fps@4MP** and is equipped with an **IR distance of up to 20 meters**, ensuring reliable surveillance around the clock. Built to withstand harsh environments, the camera is rated **IP66** for water and dust resistance and has been tested to meet **IK08** standards for impact resistance, making it suitable for both indoor and outdoor installations.

Utilizing sophisticated **SMD 3.0 technology**, the **Dahua SD1A404DB-GNY** enhances detection accuracy while minimizing false alarms. To further add to its functionality, the camera includes a built-in microphone, allowing for audio monitoring in conjunction with video surveillance. Whether for residential security or corporate applications, this camera is an exceptional choice, combining advanced technology with reliability.
