## Pagrindinės savybės

- ✓ Small & Medium Business NAS Rack (2U) Black
- ✓ QuTS hero h5.0.1
- ✓ Number of storage drives supported: 8 HDD & SSD Serial ATA II, Serial ATA III
- ✓ Intel Atom® C5125 2.8 GHz
- ✓ 8 DDR4 Memory slots: 2 SO-DIMM
- ✓ Ethernet LAN DHCP server Jumbo frames support iSCSI support Wake-on-LAN ready
- ✓ Cooling type: Active
- ✓ 300 W

Aprašymas

QNAP TS-855EU-RP. Type: NAS. Chassis type: Rack (2U). Device class: Small & Medium Business. Processor family: Intel Atom®, Processor model: C5125, Processor frequency: 2.8 GHz. Internal memory: 8 GB, Internal memory type: DDR4. Total installed storage capacity: 0 TB. Operating system installed: QuTS hero

Techninė specifikacija

| Storage                            |                               |
|------------------------------------|-------------------------------|
| Storage drives installed           | No                            |
| Total installed storage capacity   | 0 TB                          |
| Number of storage drives supported | 8                             |
| Installed storage drive type       | No                            |
| Supported storage drive types      | HDD & SSD                     |
| RAID support                       | Yes                           |
| Supported storage drive interfaces | Serial ATA II, Serial ATA III |
| Storage drive sizes supported      | 2.5,3.5,M.2                   |
| Number of M.2 (M & B) slots        | 2                             |
| RAID levels                        | 0, 1, 5, 6, 10, 50, 60        |
| Online RAID migration              | Yes                           |
| Online RAID expansion              | Yes                           |
| RAID rebuild                       | Yes                           |
| Hot-swap drive bays                | Yes                           |
| Processor                          |                               |
| Processor family                   | Intel Atom®                   |
| Processor manufacturer             | Intel                         |
| Processor model                    | C5125                         |
| Processor frequency                | 2.8 GHz                       |
| Processor cores                    | 8                             |
| Processor threads                  | 8                             |
| Processor cache                    | 9 MB                          |
| Memory                             |                               |

|                                                 |                         |
|-------------------------------------------------|-------------------------|
| Internal memory                                 | 8 GB                    |
| Internal memory type                            | DDR4                    |
| Maximum RAM supported                           | 64 GB                   |
| Memory slots                                    | 2                       |
| Memory form factor                              | SO-DIMM                 |
| Flash memory                                    | 5000 MB                 |
| <b>Network</b>                                  |                         |
| Ethernet LAN                                    | Yes                     |
| Ethernet LAN data rates                         | 10,100,1000,2500 Mbit/s |
| DHCP server                                     | Yes                     |
| Jumbo frames support                            | Yes                     |
| iSCSI support                                   | Yes                     |
| Wake-on-LAN ready                               | Yes                     |
| <b>Ports &amp; interfaces</b>                   |                         |
| Ethernet LAN (RJ-45) ports                      | 2                       |
| USB port                                        | Yes                     |
| USB 3.2 Gen 1 (3.1 Gen 1) Type-A ports quantity | 4                       |
| PCI Express x4 (Gen 3.x) slots                  | 2                       |
| <b>Design</b>                                   |                         |
| Chassis type                                    | Rack (2U)               |
| Cooling type                                    | Active                  |
| Product colour                                  | Black                   |
| Number of fans                                  | 3 fan(s)                |
| Fan diameter                                    | 6 cm                    |
| LED indicators                                  | Yes                     |
| <b>Performance</b>                              |                         |
| Type                                            | NAS                     |
| Device class                                    | Small & Medium Business |
| Backup function                                 | Yes                     |
| Buzzer                                          | Yes                     |
| Multilingual support                            | Yes                     |
| Snapshot                                        | Yes                     |
| Web-based management                            | Yes                     |
| Share folder access right management            | Yes                     |

|                                     |                                  |
|-------------------------------------|----------------------------------|
| Security algorithms                 | AES                              |
| Reset button                        | Yes                              |
| On/off switch                       | Yes                              |
| <b>Software</b>                     |                                  |
| Operating system installed          | QuTS hero                        |
| Operating system version            | h5.0.1                           |
| Windows operating systems supported | Windows 10, Windows 7, Windows 8 |
| Linux operating systems supported   | CentOS 7.0, Ubuntu 14.04, Yes    |
| Mac operating systems supported     | Mac OS X 10.10 Yosemite, Yes     |
| <b>Power</b>                        |                                  |
| Power supply location               | Built-in                         |
| Power supply unit (PSU) capacity    | 300 W                            |
| Number of power supply units        | 2                                |
| Power consumption (typical)         | 78.73 W                          |
| Power consumption (sleep)           | 54.331 W                         |
| AC input voltage                    | 100 - 240 V                      |
| Fan voltage                         | 12 V                             |
| <b>Weight &amp; dimensions</b>      |                                  |
| Width                               | 432 mm                           |
| Depth                               | 297.4 mm                         |
| Height                              | 88.6 mm                          |
| Weight                              | 8.15 kg                          |
| Package width                       | 530 mm                           |
| Package depth                       | 210 mm                           |
| Package height                      | 592 mm                           |
| Package weight                      | 10.9 kg                          |
| <b>Packaging content</b>            |                                  |
| Package type                        | Box                              |
| <b>Operational conditions</b>       |                                  |
| Operating temperature (T-T)         | 0 - 40 °C                        |
| Operating relative humidity (H-H)   | 5 - 95%                          |
| Storage temperature (T-T)           | -20 - 70 °C                      |
| <b>Other features</b>               |                                  |
| Warranty period                     | 3 year(s)                        |

## Matmenys ir svoris

|                      |                             |
|----------------------|-----------------------------|
| Matmenys (I × P × A) | 60,00cm × 53,00cm × 22,00cm |
| Svoris               | 11,00kg                     |
