The Verbatim Focus Wireless Presenter is engineered for those who value both performance and aesthetics. Its smooth, contoured design fits naturally in the hand for lasting comfort. The thoughtfully placed buttons provide seamless slide transitions and screen toggling, while the task switch function lets you stay in control during multi-application workflows. Lightweight and beautifully built, the Focus Presenter looks and feels as professional as your presentation.

Charge Less, Present More

Forget about disposable batteries—Focus features a built-in 250 mAh rechargeable lithium battery for hassle-free power. Simply use the included USB-C cable to recharge quickly between sessions. Whether you’re presenting in a corporate boardroom or teaching in a classroom, you’ll appreciate the ease and efficiency. With up to 30 metres of wireless range and a powerful red laser pointer, you’ll move freely and confidently through your presentation.

Universal Compatibility, Instant Setup

No drivers, no delays—just plug and present. The Focus Presenter includes both a USB-A receiver and a USB-C adapter, ensuring broad compatibility with virtually all modern devices. It works perfectly with Windows, macOS, Android, and Linux systems, making it an ideal choice for hybrid users and cross-platform environments. Its slim profile and included travel pouch make it a must-have tool for mobile professionals.
