Aprašymas

The Natec Camel Lite is designed for those who need a reliable and functional carrying solution for their notebook and other essentials. This backpack features a padded compartment that accommodates notebooks up to 15.6 inches, providing protection during transport. With a total capacity of 19 liters, it offers space to store a variety of items, including documents, clothing, and notebook accessories. The diverse compartment setup, including six internal pockets and a zippered front pocket, ensures easy organization for users on the go. Built with 600D polyester, the Camel Lite is splashproof and abrasion-resistant, making it suitable for different environments. The thoughtfully designed carrying strap options - a chest strap, top carry handle, side carry handle, and adjustable shoulder straps - provide flexibility in how the backpack is worn. Additionally, the ventilated back enhances comfort during extended use, allowing for a more pleasant travel experience.
