Aprašymas

The DICOTA TWO notebook carrying backpack combines functionality with eco-friendliness. Made from 300D RPET polyester, this backpack is crafted from 9 recycled PET bottles, making it a sustainable choice for daily use. With a capacity of 28 liters, it offers ample space to carry a 17.3-inch notebook and additional items. The padded notebook compartment provides protection for your device, while the cushioned back ensures comfort during transport. The backpack features a trolley strap, shoulder straps, and a top carry handle for versatile carrying options. Equipped with multiple compartments, including a front pocket and side mesh pocket, the DICOTA TWO is ideal for organizing documents and accessories efficiently.
