Aprašymas

The DICOTA TWO Plus notebook carrying backpack is designed for practicality and comfort. Crafted from durable 600D RPET material, this backpack provides a sustainable option, as it is made from 11 recycled PET bottles. With a capacity of 24 liters, it efficiently carries all essentials, including a padded notebook compartment that accommodates notebooks ranging from 14 inches to 16 inches. Comfort during transport is prioritized with multiple carrying options including a trolley strap, shoulder carrying straps, and a top carry handle. Additional features such as a padded back and water-repellent properties enhance usability, while side mesh pockets provide extra storage for documents and easy access to accessories. This carrying case is suitable for professionals and students alike, combining functionality with environmental consciousness.
