Aprašymas

The DICOTA Backpack Eco combines functionality with environmental consciousness, offering a sustainable choice for professionals and students alike. Made entirely from recycled PET, this backpack supports eco-friendly practices and provides a durable, moisture-proof carrying solution for everyday needs. With a generous 25-liter capacity and specialized compartments for everything from your laptop and phone to your umbrella and water bottle, it ensures all your essentials are organized and protected. Comfort is not overlooked, thanks to adjustable padded shoulder straps and a rain cover for those unpredictable weather days. Whether you're commuting to work, heading to class, or traveling, the DICOTA Backpack Eco is designed to cater to your active lifestyle while making a positive impact on the planet.
