Aprašymas

The Gembird TA-UC-2A3C-PD140-01-BK power adapter is a versatile charging solution designed to meet the needs of various devices including cellular phones, tablets, and notebooks. With a power output of 140 W and advanced GaN technology, this adapter ensures efficient charging while taking up minimal space. It offers multiple voltage settings of 5/9/12/15/20 V and supports fast charging technologies such as Power Delivery and Qualcomm Quick Charge 3.0. Equipped with an LCD display, users can easily monitor charging status, while built-in protections against short circuits, overheating, overvoltage, and overcharging enhance safety and reliability for everyday use. With five output connectors including three 24-pin USB-C and two 4-pin USB Type-A, this product provides flexibility in charging multiple devices simultaneously.
