Pagrindinės savybės

- ✓ Captivate attention with this attractive, adaptable display that lets you put vital information right where you want it. Simply attach it to the HP Engage One Pro with the included 1.8 meter USB-C cable, and position it to best suit customers' needs
- ✓ Display a diverse range of content—everything from useful purchase information and loyalty reward programs to eye-catching promos—supports 2x20, and 3x16 lines of text or engaging videos. Customize your customers' experience with ease.
- ✓ Find the optimal height for your countertop—from 5 inches to 1.3 feet—with three adjustable pole sections and enhance legibility for customers with built-in tilt and swivel for adaptable viewing angles.
- ✓ Ensure customers can view essential information across a gamut of lighting conditions with this bold, bright display. 400 nits of brightness and a LED half life of $\geq 50,000$ hours deliver superb visibility and lasting value.
- ✓ Adapt to an ever-shifting marketplace with the ability to change between touch and non-touch display functionality.
- ✓ Prepare for upcoming innovations with a more enhanced, interactive, and customizable customer experience. The integrated webcam and IR facial recognition technology empowers bold new ways to engage with future customers.
- ✓ Keep dust and liquids at bay with durable IP52^[1] rated sealed glass that helps protect the screen from spills and intrusive debris.

Aprašymas

Display your content exactly where you need it

Get vital text and video content out in front with this dynamic 6.6" customer facing pole display for the HP Engage One Pro. An adjustable design and future-minded features bring all the style and scalability you need to make your customers' experience pop.
