Aprašymas

AOV PT Plus 6MP

24/7 Recording Super Starlight Battery Camera

Wire-Free, Easy to Install Anywhere

Install the solar panel and camera together on one bracket or separately to fit your location.

6MP Clarity Captures Every Detail

Eliminate blurry footage across vast areas — capture every crisp detail.

Super Starlight Night Vision See Clearly even in Ultra-Low Light

With Super Starlight Vision, the camera captures vivid, full-color images in extremely low-light conditions — no white light needed.

With Starlight Night Vision See in full color in ultra-low light conditions.

Infrared Night Vision Delivers crisp black-and-white visuals.

All-around protection for your safety

- 4K Clarity Captures Every Detail

360° Coverage, Smart Tracking

- 20m Detection Range

Detects movement clearly within a 20-meter range for more accurate and reliable alerts.

- Focus on What Truly Matters

With Imou SENSE™, the camera recognizes people and vehicles with higher precision—so you get alerts that actually make sense.

- Active Deterrence with Red-Blue Warning Lights

Red-blue warning lights bring a strong visual deterrent, discouraging intruders before they get close.

Always-on Video Mode

Records continuously while saving storage: full-frame video during events, and 1 frame every 3 seconds when nothing happens.

Customize Recording Modes by Battery Level

You can assign a recording mode — AOV or Power Saving (no recording) — to each battery level, so the device adapts to your needs across different scenarios and usage habits.

Supports Adapter Power for Flexible Setup

You can also plug it into an AC adapter for power. In this mode, you can choose the 24/7 full frame recording mode.

Time-Lapse: Turn Days into Minutes

Easily create movie-like time-lapse videos of your garden, project, or daily scenery and share them with friends.

No Hassle□ Easy to Use

- Reliable Solar Power, Flexible Setup

The 10,000mAh battery paired with the 5W solar panel delivers reliable, continuous power

- Keeps Charging Even in the Cold

-15°C low-temperature charging technology keeps your camera powered even when winter settles in.

- Dual-band Wi-Fi 6 delivers smoother streaming and a stronger connection on both 2.4GHz and 5GHz networks.

- Two-way Talk in Real Time

Built-in speaker and microphone allow you to interact with others or dissuade unwelcome guests.

Enjoy Easier Security with Imou Life

- Customizable Detection Zone

You can set the areas you want to be detected in the APP to avoid false alarms and achieve more efficient security.

- Customizable Alarm Sound

We have preset a variety of alarm tones in the APP and you can also set your own alarm tones.

- Protection Scheduling

You can customize the camera's working and resting times in the APP, allowing it to protect your home as your wish.

- Two-way Talk in Real Time

Built-in speaker and microphone allow you to interact with others or dissuade unwelcome guests.

Designed with More Details

- Store Your Footage Your Way

Supports Cloud and Micro SD Card (up to 512GB), giving you flexible ways to save and access your videos.

- Thoughtful Protection for Your Privacy

Temporarily disable recording via app to protect your privacy when needed.

- IP66 Weatherproof, Ready for Any Weather

With IP66 weatherproof design, AOV Track Plus stands strong against heavy rain, dust, and extreme temperatures.

Works with Google Assistant & Alexa

Connect with Google Assistant or Amazon Alexa and manage your camera with simple voice commands.

- Super Starlight Night Vision
- Human/Vehicle Detection
- AOV 3.0
