Aprašymas

Introducing CaffèExperto, our latest top-of-the-range Bean to Cup Coffee Machine. Designed to elevate your coffee experience, this premium model ensures the ultimate in-home barista experience. Thanks to its seamlessly integrated steam nozzle and intuitive touch screen menu, making your ideal cup is as effortless as a single touch. The advanced Dual Nozzle feature even lets you to craft two coffees simultaneously, perfect for catching up with your loved ones.

Colour Touch Display

Designed to enhance your coffee experience, the intuitive touch control display makes selecting your ideal cup as effortless as a single touch.

Integrated Milk Jug

Create the perfect blend thanks to the integrated milk jug. Both space and time saving, this feature draws milk from an external container and heats it internally to offer perfectly frothed milk to top your cappuccino.

Dual Nozzle

Experience the convenience of our Dual Nozzle feature that allows you to brew two coffees simultaneously. Whether you're having an intimate coffee catch-up or making beverages for the entire family, this advanced machine will ensure you're always prepared to serve quickly and easily.

Beans or Ground Coffee

Experience the versatility of our advanced CaffèExperto Coffee Machine. Grind your favourite coffee beans or use pre-ground coffee for a truly customised brewing experience.

19 Bar Pressure

Enjoy barista-style coffees from the comfort of your own home with our CaffèExperto machine. With a powerful 19 bar pressure, you can effortlessly achieve full-bodied, rich espressos that rival those crafted by professionals.

Cup Warmer

Elevate your coffee experience with this model's cup warmer feature. Designed to meet your needs, it can hold up to 6 cups at once, ensuring that each cup is kept warm and ready for your enjoyment.
