Pagrindinės savybės

- ✓ **Roller Shutter Control** - Use Tapo S112 as a roller shade switch to let the morning sunshine gently wake you up and start your day!
- ✓ **Control Two Lights Separately** - The built-in two smart relays enable separate automation of two devices by using various smart control functions.
- ✓ **Energy Monitoring** - Tracks the energy use of connected devices and allows electricity rate input for bill estimates.
- ✓ **Full Compatibility** - Tapo S112 supports Matter. It is compatible with various platforms, including Apple Home, Alexa, Google Home, Samsung SmartThings, and IFTTT.
- ✓ **Zero-Crossing Protection** - Addresses relay contact welding, extending the lifespan of smart switch modules by over 10 times.
- ✓ **Remote Control** - Instantly turn connected devices on/off from wherever you are through the Tapo app.
- ✓ **Schedule** - Preset a schedule to automatically manage devices.
- ✓ **Voice Control** - Use simple voice commands for hands-free control of connected devices.
- ✓ **Obstacle Detection** - In Roller Mode, the roller shutter will automatically stop if it encounters an obstacle.
- ✓ **Relay Failure Protection** - The failure of the relay can be identified and an alarm will be sent to the user via the Tapo app.

Aprašymas

Tiny in Size, Vast in Utility

Dual Relay Module

Versatile for Multiple Scenarios

Tapo S112 supports dual modes, allowing you to integrate various devices. In roller mode, it's ideal for automating roller shutters. In switch mode, control smart lights, outlets, and electric floor heating seamlessly without replacing your existing equipment.

One Device, More Possibilities

Energy Monitoring

You can monitor and analyze the energy use of your automated appliances for each channel separately with Tapo S112. It provides clear and easy-to-understand stats and intuitive charts, enabling you to schedule power-hungry devices during off-peak hours to save money.

Smart Control

Tapo S112 offers various smart control features, adding convenience and intelligence to your daily life!

Full Compatibility

Tapo S112 supports Matter, which endows it with extremely high compatibility. It is compatible with various platforms, including Apple Home, Alexa, Google Home, Samsung SmartThings, and IFTTT. It seamlessly integrates connected traditional devices with multiple third-party systems. Enjoy a seamless smart home without the limitations of different protocols and platforms.

10× Longer Lifespan with Zero-Crossing Protection

Tapo introduces industrial-grade zero-crossing protection technology in a smart switch module made for consumers, preventing relay contact welding and extending the lifespan of smart switch modules by over 10 times.

Even Smarter with Tapo Smart Actions

Paired with other Tapo smart devices, it allows for the creation of diverse smart living scenarios to enhance convenience in everyday life and seamlessly adapt to your lifestyle—all through Tapo Smart Actions.

Instant Control via Bluetooth

Tapo S112 allows instant Bluetooth control, enabling normal configuration and secure control via Tapo App even without Wi-Fi. If the router fails or the password is changed, users can directly manage and reconnect offline devices through Tapo App without the need to disassemble the switch.

Small Size and Compatible

Tapo S112 is specially designed for maximum compatibility during installation. Its small size allows it to be installed near a light, behind a switch, or wall outlet, fitting in the smallest EU boxes.

Techninė specifikacija

Features	
Product type	Blind/shutter actuator
Built-in display	No
Frequency	2400 MHz
LED indicators	Yes
Push button	Yes
Product colour	White
Wireless connection	Yes
Virtual assistant	Amazon Alexa / Google Assistant / Apple Siri / Samsung Bixby
Apps supported	SmartThings
Network	
Remotely operated	Yes
Wi-Fi	Yes
Wi-Fi standards	802.11b, 802.11g, Wi-Fi 4 (802.11n)
Wi-Fi frequency	2.4 GHz
Bluetooth	Yes
Power	
Power source type	AC
Maximum switching capacity	150 W
Input voltage	100 - 250 V
Input frequency	50 - 60 Hz
Current	6 A
Operational conditions	
Operating temperature (T-T)	0 - 35 °C
Operating relative humidity (H-H)	10 - 90%
Packaging content	
Quick start guide	Yes

Weight & dimensions

Width	44.7 mm
Depth	16.1 mm
Height	40.7 mm

Sustainability

Compliance certificates	CE, RoHS
