Pagrindinės savybės

- ✓ UNO Teams is still the classic game players know and love but played in teams of two!
- ✓ Special cards such as Wild Team Play and Wild Team Draw 4 help teams win together.
- ✓ Play a card with a “pass” symbol and players can pass a card of their choice to their partner.
- ✓ If one teammate goes out, they take half of the cards from their partner’s hand and keep playing.
- ✓ Don’t forget, when players get down to only one card, they (or their partner) must yell, “UNO!”

Aprašymas

UNO Teams is a new way to play the classic game! Players still match colour, number and symbol but instead of every-man-for-himself, they team up in pairs of two and play together to win. Special cards and rules help teammates work together, but both players must get rid of all the cards in their hands to win. And remember, when you (or your partner!) are down to your last card, don't forget to yell 'UNO!'
