## Aprašymas

MediaRange rechargeable Li-Ion batteries offer a sustainable and high-performance power solution for your everyday devices. Designed to replace single-use alkaline batteries, these innovative USB-C rechargeable batteries provide reliable 1.5V output, ensuring optimal performance in various electronic devices. With up to 1200 charging cycles, they help reduce waste and lower long-term costs while maintaining consistent power delivery. Thanks to their integrated USB-C charging port, recharging is simple and efficient, eliminating the need for traditional battery chargers. Featuring advanced safety mechanisms, including overvoltage, short-circuit, and overcharge protection, our rechargeable batteries are an eco-friendly and user-friendly alternative for modern energy needs.

**USB-C Rechargeable:** No need for traditional battery chargers – simply plug into any USB power source.

**Long Lifespan:** Up to 1200 charge cycles for extended use.

**Eco-Friendly Solution:** Reduces battery waste and helps save money over time.

**Fast Charging:** Fully charges in approximately 2 hours.

**Latest Safety Features:** Protection against overvoltage, short circuit, and overcharging.

LED Charging Indicator: Flashing while charging, steady light when fully charged.

Convenient Charging: Includes a 4-to-1 USB charging cable for simultaneous charging of multiple batteries.
