Aprašymas

CARBON 500 MAXI LAVA G2

The Genesis Carbon 500 Maxi Lava G2 is the successor to the well-received Carbon 500 Maxi Lava mouse pad. With dimensions of up to 900 x 450 mm, it can accommodate not only the mouse but also the entire keyboard. Its low profile design enhances user comfort, and its unique aesthetic makes it the perfect complement to any gaming setup.

SPEED' SURFACE

The top layer of the Genesis Carbon 500 Maxi Lava G2 mouse pad is made of fabric that ensures high precision mouse tracking and reduces friction between the controller and the surface. The Genesis Carbon 500 Maxi Lava G2 pad works seamlessly with both laser and optical mice.

LOW, COMFORTABLE PROFILE

The Genesis Carbon 500 Maxi Lava G2 is a mousepad with dimensions of 900 x 450 x 2.5 mm. It is perfectly sized to fit your desk space and provides comfortable use for your keyboard and mouse, particularly in games that require great precision and an excellent feel. The low profile design increases usability and enhances the sense of comfort.

QUALITY AND DURABILITY

Properly stitched edges of the Genesis Carbon 500 Maxi Lava G2 protect it from fraying. Additionally, the non-slip layer on the bottom prevents uncontrolled movement of the pad and its accessories, ensuring that it stays in place on any surface.

UNIQUE GRAPHICS

Looking to make your gaming setup stand out? High-quality, unique graphics on the Genesis Carbon 500 Maxi Lava G2 pad will allow you to seamlessly integrate it into any workstation. You can be sure that no one will pass by without taking notice of this attention-grabbing accessory.
