Aprašymas

The Lanberg DIN rail is designed for efficient rack-mountable installation, offering a sturdy support solution for various applications. Constructed from steel, this product ensures long-lasting use while maintaining stability. The package comes complete with essential components, including M6 screws, brackets, and rack ears, making it convenient for immediate assembly. With a height of 1-rack unit, this DIN rail fits seamlessly into any standard 19-inch rack size, allowing for organized and space-efficient setups.
