contrast, perfect blacks, and vibrant colors that bring every game world to life. Featuring an expansive 32:9 aspect ratio and Dual QHD resolution (5120 x 1440 pixels), the G95SD provides a seamless, wrap-around visual experience, eliminating the distraction of bezels found in multi-monitor setups.

Unrivaled Speed and Clarity

Designed for competitive esports and fast-paced action, the G95SD ensures you stay ahead of the curve. The combination of a rapid refresh rate and near-instantaneous response time minimizes motion blur and ghosting, giving you the critical edge needed for victory.

- **Blazing Refresh Rate:** Experience incredibly smooth motion with a high 240 Hz refresh rate.
- **Extreme Response Time:** Enjoy rapid pixel shifts with an astonishingly low 0.03 ms response time (GtG).
- **Dual QHD Resolution:** Massive 5120 x 1440 resolution provides superb detail across the ultra-wide screen space.
- **QD-OLED Technology:** Delivers deep, true blacks and exceptional brightness uniformity thanks to self-illuminating pixels.

Optimized for Performance and Ergonomics

The Odyssey G9 G95SD is engineered for marathon gaming sessions, offering both powerful performance synchronization and comprehensive ergonomic adjustability. G-SYNC Compatibility ensures tear-free gameplay by syncing the display refresh rate with your GPU.

- **G-SYNC Compatible:** Reduces screen tearing and stuttering, ensuring fluid action during intense moments.
- **Integrated USB Hub:** Offers convenient connectivity for peripherals directly through the monitor.
- **Built-in Audio:** Integrated speaker system provides clear sound without needing external desktop speakers.
- **Full Adjustability:** VESA mounting support and height adjustment allow you to customize the monitor positioning for maximum comfort.

SAMSUNG is a globally recognized leader in electronics, known for pushing the boundaries of display technology and consumer innovation, consistently delivering high-quality, feature-rich
