Pagrindinės savybės

- ✓ **Extra Bright Smart Light Bulb** - With 1055 lumens (75W Equivalent) of crisp, high-quality lighting, Tapo L535E is ideal for any home space requiring brighter lighting
- ✓ **Millions of Colors** - Easily design scenarios for your daily routine or activities by customizing the light brightness, light temperature, and colors—with millions of hues to choose from via the Tapo app
- ✓ **Matter-Certified** - With support for the Matter protocol, Tapo L535E can seamlessly interoperate with other certified products across platforms
- ✓ **Schedule & Timer** - Create a regular schedule to turn on/off with your chosen light effects
- ✓ **Voice Control** - Manage your smart lights with voice commands via Alexa, Siri, or Google Assistant
- ✓ **Remote Control and Away Mode** - Instantly turn connected devices on/off wherever you are via the Tapo app. Turn on away mode to simulate someone being at home
- ✓ **Energy Monitoring** - Monitor your connected devices' real-time power consumption and costs via the Tapo app
- ✓ **No Hub Required** - Connect directly to your home's secure Wi-Fi network—no need for a hub or extra equipment

Aprašymas

Extra Bright, Infinite Colors.

Smart Wi-Fi Light Bulb, Multicolor

Extra Bright 1055-Lumen Light

Tapo L535E provides 1055 lumens of crisp, high-quality lighting, which is brighter than most standard 800-lumen smart color bulbs. It can brighten up your daily routine or activities and is ideal for any space in your home that requires brighter lighting.

Meet Matter

Matter is an industry-unifying connectivity standard that promises seamless communication among IoT devices across smart home platforms. Unleash the full potential of your smart home with Tapo Matter products.

All-Round Compatibility

Integrate your Tapo Matter device seamlessly into your chosen smart home ecosystem, no longer restricted to a specific platform.

Multi-Admin

Control your Tapo Matter devices via multiple platforms at the same time or through different accounts on a single platform to share your device with your family.

Reliable & Secure

Adopting proven encryption algorithms, Tapo Matter devices communicate with other certified devices in the local network (LAN), leading to lower latency and increased security.

Easily Manage Your Life

Create regular schedules and countdown timers to turn on/off lights at your set brightness. Sunrise and sunset modes allow lights to activate automatically according to your time zone.

Even Smarter with Sensors

Connect your smart bulbs with Tapo smart sensors to unleash the potential of your smart home.

Greener Smart Lifestyle

Tapo L535E reduces energy use by up to 89% without sacrificing brightness or quality, compared to a 75 W incandescent bulb. It is designed to operate efficiently in your home for longer periods with less energy consumption.

No Hub Required

Connect Tapo L535E to your home WiFi network, and then you're all set—no need for extra hubs or other devices.

Preset for Convenience

Found the perfect mood lighting for you movies? Save it as a setting to instantly adjust your illumination for movie nights.

Away Mode

Set your smart light to switch on/off randomly, giving the impression you're home even when away.

Enjoy Easy, Friendly Setup

Tapo offers users multiple options to simplify configuration experiences. Use Bluetooth to easily onboard the Smart Bulb with the Tapo app. Users can also set up Tapo L535E by scanning the included code with any Matter-compatible app, such as the Alexa app, Google Home app, and Apple Home app.

Techninė specifikacija

Features	
Type	Smart bulb
Interface	Wi-Fi/Bluetooth
Product colour	White
Wi-Fi standards	802.11b, 802.11g, Wi-Fi 4 (802.11n)
Security algorithms	WPA-PSK, WPA2-PSK, WPA3-SAE
Bulb type	LED
Fitting/cap type	E27
Colour changing	Yes
Colour temperature (min)	2500 K
Colour temperature (max)	6500 K
Luminous flux	1055 lm
Beam angle (max)	220°
Color Rendering Index (CRI)	80
Equivalent bulb power	75 W
Bulb lifetime	25000 h
Dimmable	No
Power	
Energy efficiency class	E
Energy consumption per 1000 hours	9 kWh
Energy efficiency scale	A to G
Power source type	AC

Power consumption (typical)	8.6 W
Power consumption (standby)	0.4 W
Input voltage	220 - 240 V
AC input frequency	50 - 60 Hz
AC input voltage	220 - 240 V
Weight & dimensions	
Height	115 mm
Diameter	6 cm
Packaging data	
Package type	Box
Package width	60 mm
Package depth	61 mm
Package height	126 mm
Package weight	100 g
Packaging content	
Quantity per pack	1 pc(s)
