Pagrindinės savybės

- ✓ Slate Tablet PC Black
- ✓ 25.6 cm (10.1") 1920 x 1200 pixels
- ✓ Intel Core Ultra 5 135U
- ✓ 256 GB SSD
- ✓ Single camera 13 MP Front camera 5 MP
- ✓ Wi-Fi 7 (802.11be) Bluetooth 5.4 Near Field Communication (NFC)
- ✓ 36 Wh
- ✓ Windows 11 Pro

Aprašymas

The most versatile rugged Android and Windows business tablets

Maximise productivity and business efficiency with the business tablets that deliver more — more features, more power, more security, more ruggedness and more versatility. These Android and AI-driven Windows tablets are designed for work. The ET6x Series enterprise tablets offer all the beauty of consumer-styling, yet they’re built like a tank, ready for the most punishing environments. The dedicated AI engine in the ET6x Windows tablets provides plenty of power to run AI applications — and embedded AI technology enhances the user experience. You can use all the models in this flexible series as a tablet, a laptop alternative or a vehicle mount computer. And these workhorses are loaded with features that help get the job done faster and more efficiently.

A New Era of Rugged

These tablets pass more real-world tests than any other tablet in their class. They’re drop-tested to concrete, dustproof, freezer-proof, rated for hose-downs, ready for all the elements including rain, snow, ice. Additional tests that make these tablets even more rugged include thermal shock, heavy exposure to sunlight and an impact test on the touch screen.

Mount in any Vehicle

Just lock any model into the new patent-pending vehicle dock with heated connectors and mount in any vehicle — from forklifts and clamp trucks in warehouses and docks to delivery trucks and first responder vehicles. The ET60 Freezer model display and warehouse keyboard are heated (Android only) – a feature no other tablet today offers. And just snap on the friction hinge keyboard to turn any tablet in this series into true 2-in-1 laptop alternatives — ideal for jobs that call for heavy data entry.

Redefine Workforce Efficiency with AI

Put powerful AI technology in the hands of your workers with the ET60W and ET65W Windows tablets. The dedicated AI engine supports the new generation of AI apps, enabling mobile users to work smarter — and faster. Expand the functionality of two key features with embedded AI technology — the touchscreen and audio. The touchscreen instantly recognises and adjusts to any method of input, providing pinpoint accuracy in all-weather conditions — even with heavy gloves. And the latest machine and neural network technologies take noise suppression to the next level, ensuring clear and crisp voice, even in the loudest environments.

Techninė specifikacija

Display	
Display diagonal	25.6 cm (10.1")
Display resolution	1920 x 1200 pixels
Display brightness	1000 cd/m²
Display glass type	Gorilla Glass
Touchscreen type	Capacitive
HD type	WUXGA
Processor	
Processor manufacturer	Intel
Processor family	Intel Core Ultra 5
Processor model	135U
Processor generation	Intel® Core™ Ultra (Series 1)
Processor cores	12
Performance cores	2
Efficient cores	8
Low Power Efficient-cores	2
Performance-core Max Turbo Frequency	4.4 GHz
Efficient-core Max Turbo Frequency	3.6 GHz
Low Power Efficient-core Max Turbo Frequency	2.1 GHz
Performance-core base frequency	1.6 GHz
Efficient-core base frequency	1.1 GHz
Low Power Efficient-core Base Frequency	700 MHz
Processor cache	12 MB

Processor cache type	Smart Cache
Neural processor unit (NPU)	
Neural processor unit (NPU)	Intel AI Boost
Sparsity support	Yes
Windows Studio effects support	Yes
AI software frameworks supported by NPU	DirectML, ONNX RT, OpenVINO, Windows ML
Memory	
Internal memory	16 GB
Internal memory type	LPDDR5-SDRAM
Storage	
Internal storage capacity	256 GB
Storage media	SSD
Card reader integrated	No
SSD interface	PCI Express
NVMe	Yes
Graphics	
Graphics card family	Intel
Graphics card cores	4
Ray tracing acceleration	Yes
Audio	
Number of built-in speakers	2
Number of microphones	2
Camera	
Rear camera type	Single camera
Rear camera resolution (numeric)	13 MP
Front camera	Yes
Auto focus	Yes
Rear camera flash	Yes
Front camera resolution (numeric)	5 MP
Windows Hello	Yes
Network	
Mobile network connection	No
Top Wi-Fi standard	Wi-Fi 7 (802.11be)
Bluetooth	Yes
