Pagrindinės savybės

- ✓ 43.9 cm (17.3")
- ✓ Rack mounting 1U
- ✓ Keyboard port type: USB Mouse port type: USB
- ✓ Keyboard layout: QWERTZ
- ✓ Black

Aprašymas

The CL6700MW DVI Full HD LCD Console is a single rail KVM console featuring a 17.3" LED-backlit high-definition widescreen with an integrated keyboard and touchpad in a 1U rack-mountable sliding housing. The CL6700MW's console provides front end access to compatible KVM switches utilizing space with a module that closes flat and slides into the rack. The single rail design allows the LCD monitor, keyboard and touchpad to operate independently of each other. Multiple video ports allow the console to connect one of three types of video sources: VGA, DVI, or HDMI - for the console and CPU connection. For added convenience, the full HD console provides two HDMI ports that allow for connecting a high-definition monitor to the console port, and/or an HDMI compatible switch to the KVM port.

Techninė specifikacija

Display

Display diagonal	43.9 cm (17.3")
Display	LCD
Technical details	
Rack capacity	1U
Product colour	Black
Operating relative humidity (H-H)	0 - 80%
Maximum resolution	1920 x 1080 pixels
Rack mounting	Yes
Number of computers controlled	1
LED indicators	Yes
