Aprašymas

- Up to 35 pages per minute in A4

- Time to first copy 6.9 sec.
- 1,200 dpi printing quality
- Print, copy and colour scan functionality as standard
- Duplex unit for cost-saving double-sided printing
- Copy double-sided ID cards on a single sheet of paper with ease
- Compact design with low-noise printing
- Exceptionally low printing costs in its class

The M2135dn and M2635dn are the most affordable models in our new ECOSYS series, yet are still full of features. As extremely reliable devices with 1,200 dpi b/w print quality, duplex printing, gigabit Ethernet and overall fast scanning and copying, both are perfectly suited for demanding desktop users and small workgroups.

And you shouldn't worry about placing these in open space offices either: Operation is remarkably quiet and, with even smaller dimensions than their predecessors, they fit on virtually every desk. Finally, thanks to many flexible paper-handling options, each device can be customised to meet your demands precisely.
