Aprašymas

The SAT15005A1 SATA Cable provides a reliable 50cm connection for your Serial ATA devices, supporting both 1.5Gbps and 3Gbps transfer speeds. This SATA cable features an angled connector, making it ideal for tight spaces and improving cable management within your computer case. Designed to MicroConnect's high European standards, this cable ensures secure and stable data transmission between your motherboard and hard drives or SSDs. Benefit from our 20+ years of expertise in connectivity solutions with this premium quality SATA cable, offering both performance and convenience for a seamless computing experience. Upgrade your system with this essential cable.

Techninė specifikacija

Features
