Pagrindinės savybės

- ✓ 1 m
- ✓ SFF-8643
- ✓ SFF-8643
- ✓ Male/Male
- ✓ Black

Aprašymas

High data rate: Supports transfer speeds of up to 4x 12Gb/s for high-performance storage and server applications.
Professional connection technology: Mini-SAS HD (SFF-8643) connectors on both sides for internal use in server and workstation environments.
Reliable performance: Optimized for continuous use in data centers, NAS systems, and mission-critical IT solutions.
Easy integration: Ideal for system houses and administrators who need to connect SAS controllers to backplanes.

The InLine® Mini-SAS HD cable (SFF-8643 to SFF-8643) provides a reliable and powerful connection for professional server and storage environments. With support for up to 4x 12Gb/s, it is ideal for use in high-performance computers, data centers, and NAS systems where large amounts of data need to be transferred quickly and securely.
With Mini-SAS HD connectors (SFF-8643) on both ends, the cable is specially designed for internal use and enables direct connection of SAS controllers to backplanes. This ensures stable and low-loss signal transmission—a decisive advantage for administrators who depend on maximum operational reliability.
Whether for individual server configurations, the expansion of storage solutions, or the construction of complex data systems, this cable provides the

flexibility and reliability required by modern IT infrastructures.
This makes the InLine® Mini-SAS HD cable the first choice for companies that value high-performance and future-proof connection technology.

Connection: Mini-SAS HD plug (SFF-8643) to Mini-SAS HD plug (SFF-8643)
Type: internal cable
Data transfer: up to 4x 12Gb/s

Techninė specifikacija

Features	
Cable length	1 m
Connector 1	SFF-8643
Connector 2	SFF-8643
Connector gender	Male/Male
Product colour	Black
Weight	57 g
Packaging data	
Package width	130 mm
Package depth	150 mm
Package height	20 mm
Package weight	57 g
Logistics data	
Package volume	400 cm³
