- ✓ Absorbent terry toweling sweatband
- ✓ Optional logo customization areas
- ✓ Available in different peak lengths for a variety of applications
- ✓ Adjustable elastic strap for a personal fit
- ✓ Belt clip accessory available

Aprašymas

2M™ First Base™ + Bump Cap is designed to provide limited head protection from bumps and minor lacerations to the head from stationary objects. Thanks to the patented flexible shell design manufactured from durable ABS plastic the 3M™ First Base + bump cap provides industrial bump protection to EN812.

Designed to protect the wearer from light contact, minor lacerations, and minor abrasions against stationary objects to the head in a wide range of industries such as, Automotive, Aerospace, Food Processing, Transport and Logistics, the 3M™ First Base™ + bump cap is designed with breathable woven fabric and foam with airflow channels for ventilation. Absorbent terry towelling sweatband and closed cell foam pad also included. Corporate embroidered logo service is available. Available with different peak lengths Standard (70mm), Reduced (55mm) or Micro (25mm) versions and a range of colors.

Techninė specifikacija

Features	
Material	ABS
Product colour	Blue
