Pagrindinės savybės

- ✓ Effective and comfortable protection against organic vapour and hazardous particulates
- ✓ A newly enhanced valve assembly helps to reduce exhalation breathing resistance for improved breathing comfort
- ✓ Lightweight, well-balanced, low profile design
- ✓ Integrated cartridge and filters mean it's ready to use and maintenance free
- ✓ Soft, close-fitting face seal made with textured, non-allergenic material
- ✓ Adjustable head cradle and easy to fasten neck straps
- ✓ Centrally-positioned exhalation valve helps reduce heat and moisture build-up in hot and humid conditions
- ✓ FFA2P3 R D protects against organic vapours with a boiling point greater than 65 °C, up to 10 x Workplace Exposure Limit (WEL) or 5000 ppm (whichever is lower), and 20 x WEL for particulates
- ✓ Includes a resealable bag for hygienic storage and transportation

Aprašymas

3M™ Maintenance Free Half Mask 4255+ is a simple and ready-to-use respirator with an integrated cartridge and filters. A newly enhanced valve assembly helps to reduce exhalation breathing resistance, and the close-fitting, non-silicone, textured face seal is soft and non-allergenic. Includes a resealable bag for hygienic storage and transportation.

Get effective, easy-to-use and fully-assembled breathing protection with 3M™ Maintenance Free Half Mask 4255+, with a newly enhanced valve assembly which helps to reduce exhalation breathing resistance for improved breathing comfort. Our respirator has a textured face seal that's soft, non-allergenic and silicone free, and provides FFA2P3 R D protection against a range of organic gases and vapours, and combination particulate hazards. The lightweight, well-balanced design features a centrally-positioned exhalation valve that helps reduce heat and moisture build up, helping you to stay comfortable in hot and humid conditions. The integrated cartridge and filters are maintenance free; simply use until your change-out schedule indicates a replacement is needed or when the filters are full, and then discard. An adjustable head cradle helps fit to a broad range of head shapes and sizes, and the neck straps are easy to fasten. The low-profile design won't hinder your peripheral vision, and the two large, bonded-carbon filters provide low breathing resistance. FFA2P3 R D protects against organic vapours with a boiling point greater than 65 °C, up to 10 x Workplace Exposure Limit (WEL) or 5000 ppm (whichever is lower), and 20 x WEL for particulates. Includes a resealable bag for hygienic storage and transportation.

Techninė specifikacija

Features	
Quantity per pack	1 pc(s)
Size	One Size
Target audience	Adults
Eye protection	No
Adjustable headband	Yes
Product colour	Blue, White
Ready to use	Yes
Matmenys ir svoris	
Svoris	0,30kg
