Pagrindinės savybės

- ✓ Brushless power packed in compact design – unique 2-in-1 tool holder for highest flexibility
- ✓ 2-in-1 tool holder with ¼" internal hex and ½" square drive guarantees flexibility for the widest range of applications
- ✓ Brushless motor with 200 Nm tightening torque and 350 Nm breakaway torque for excellent battery runtime and long tool lifetime
- ✓ Better control of speed and torque due to the variable speed triggerSee technical details

Aprašymas

GDX 18V-200 Professional: Further information

Product Highlights

The GDX 18V-200 Professional combines brushless power, a compact design and a 2-in-1 tool holder for highest flexibility. The unique 2-in-1 tool holder with ¼" internal hex and ½" square drive makes it versatile and ideal for the widest range of applications. It comes with a brushless motor, which features high performance of 200 Nm tightening torque, 350 Nm breakaway torque, excellent battery runtime and a long tool lifespan. To have a better control over speed and torque the GDX 18V-200 is equipped with a variable speed trigger.

Equipment & Application

The GDX 18V-200 Professional is the ideal choice for tightening and removing screws (M 6 – M 16), when working in metal sheet, metal or wood. It is also compatible with all Bosch Professional 18 V batteries and chargers (Professional 18V System).

Additional Information

It also features Electronic Cell Protection (ECP), a LED light and a belt clip.

Techninė specifikacija

Features

Product type	Impact driver
Power	
Battery voltage	18 V
Weight & dimensions	
Package width	184 mm
Package depth	224 mm
Package height	96 mm
Matmenys ir svoris	
Svoris	3,44kg
