- ✓ Robust design and brushless motor ensure excellent tool runtime and increased tool longevity
- ✓ The cordless jigsaw with bow handle delivers an optimal price-performance ratio in its segment
- ✓ Keeps it simple and focusses on core important functions such as SDS blade holder, LED, 4-stage pendulum, or Speed SelectionSee technical details

Aprašymas

GST 18V-125 B Professional: Further information

Product Highlights

The robust design and the powerful brushless motor of the GST 18V-125 B Professional (with bow handle) ensure increased tool longevity and excellent tool runtime. The cordless jigsaw is a reliable problem solver for all applications at an optimal price-performance ratio in its segment. The GST 18V-125 B Professional keeps it simple with a focus on core important functions such as SDS blade holder, LED, 4-stage pendulum, dust blower and Speed Selection.

Equipment & Application

This cordless jigsaw is ideal for curved and cross cuts in solid wood, chipboard, and wood composites as well as for thicker or harder materials. It can be used with guide rails via adapter. The tool is compatible with external dust extraction and with all Bosch Professional 18V batteries and chargers (Professional 18V System).

Additional Information

The baseplate of the GST 18V-125 B Professional can be adjusted up to 45° to make bevel cuts. The tool comes with a removable plastic overshoe to protect sensitive workpieces.
