Pagrindinės savybės

- ✓ Ideal for intermittent use: proprietary quick latch design allows the respirator to be removed & re-fitted quickly & easily, without disturbing other items of PPE
- ✓ Reusable respirator designed for tough and dirty work environments
- ✓ Adjustable Head Harness Assembly - Optimum fit and comfort with three-size adjustable head cradle. Durable harness straps
- ✓ Built to last: manufactured from durable materials, the 6500 is ideal for harsh environments. The construction also minimises small parts & crevices, allowing you to clean the respirator easily – protecting your investment
- ✓ Works well with other PPE: the low profile design minimises interference with other items of PPE

Aprašymas

A reusable half mask designed with tough and dirty work environments in mind. Stay productive and protected – the 6500 Series delivers comfort, durability and stability with a firm, lightly textured silicone faceseal and strong body construction. With Quick Latch drop down mechanism for easy on and off as wearers move in and out of contaminated areas.
