Aprašymas

3M™ Solus™ 1000 Anti-Fog Safety Eyewear are our slim frame safety glasses with blue and black colour accented soft temple components for a stylish and modern look. Featuring a clear, strong polycarbonate lens with 3M™ Scotchgard™ Anti-Fog Coating to protect against fogging and scratching, a removable foam gasket, and soft-touch nose bridge and temples to provide added comfort. They're supplied with a microfibre storage bag for cleaning and protection.

Help protect your eyes without compromising on comfort with 3M™ Solus™ 1000 Anti-Fog Safety Eyewear. Our stylish and modern slim frame safety glasses feature blue and black colour accented soft temple components, a removable foam gasket, and soft-touch nose bridge and temples to provide added comfort. The 3M™ Scotchgard™ Anti-Fog Coating helps to give the glasses superior anti-fog and anti-scratch properties, while the strong, clear polycarbonate lens helps to provide impact resistance. The glasses are designed to help protect eyes effectively with 99.9 % UV radiation resistance. They're supplied with a microfibre storage bag for cleaning and protection, and are compatible with 3M's range of Hearing Protection and Respirators. Tested and approved to comply with European Standards - CE marked (EN 166:2001 1 FT), a pack contains one pair of safety glasses.
