Expand and store big

Free your phone from limits. Find your perfect fit from 64GB to 512GB, or an enormous 1TB. With so many sizes, all your needs are fully covered. No more worrying about storage—there's space for all your memories.

Simply versatile

Be ready for wherever life takes you. The versatility of EVO Plus makes it compatible with virtually everything from Android smartphones and tablets to handheld gaming consoles and laptops, so you can store and manage those larger files with confidence and ease.

Protection against the elements

6 pillars of protection for your data. No matter where your adventures take you, your data on the microSD EVO Plus is protected from water^[5], extreme temperatures^[6], X-rays^[7], magnets^[8], drops^[9] and wearout. Your irreplaceable experiences deserve reliable storage. And its all backed by a confident 10-year limited warranty.

Bringing innovations to life

For decades, Samsungs NAND flash memory has powered groundbreaking technologies that have changed every part of our daily lives. This NAND flash technology also powers our Memory Cards, making room for the next big push of innovation.

Samsung Magician software

Unlock the full power of EVO Plus with Samsung Magician software - a user-friendly suite of management tools that facilitates optimal Memory card performance. Verify product authenticity, monitor drive health, and benchmark performance.

Reliably fast

With speeds of up to 160 MB/s, you can store, save, and share instantly.

Widely adaptable

Universally compatible on Android smartphones, tablets, laptops and gaming consoles.

A spacious 1TB

Options available from 64GB to a 1TB. choose your EVO Plus and expand your capacity for hi-resolution images and 4K video files.

- Up to 160MB/s transfer speed with UHS-I interface. Performance varies by capacity.
- Available in various capacities up to 1TB.
- Compatible with Android smartphones, tablets, action cams, drones, gaming consoles and more.
- Protection from water, extreme temperatures, X-rays, magnets, drops and wearout.
- 10-year limited warranty
- Includes full size adapter for use in cameras, laptops, and desktop computers

[1] Speed and rating apply to 128GB, 256GB, 512GB and 1TB cards. 64GB card is U1 rated, with transfer speeds of up to 160 MB/s.

[2] Stated performance is achieved by using microSD Card EVO Plus with Samsung readers.

[3] App Performance symbol enables a new method of communication in the SD memory card market, giving manufacturers a method to communicate device requirements and allowing their customers the means of choosing the right card for their device at the point of sale.

[4] Ratings apply to 128GB, 256GB, 512GB and 1TB cards. 64GB card is A1, V10, UHS-I rated.

[1] The foregoing read & write speeds are based on internal tests conducted under controlled conditions. Actual speeds may vary depending upon card capacity.

[1] UHS-I Speed Classes (U1, U3) and Video Speed Classes (V10, V30) are speed classes defined by the SD Association based on minimum sequential write speed of the memory card. For more information, please refer to the SD specification.

[5] Samsung is not liable for any damages and/or loss of data or expenses incurred from memory card data recovery.

[5] Water resistant: withstand up to 72 hours in seawater.

[6] Temperature resistant: operating temperatures of -25 C to 85 C; non-operating temperatures of -40 C to 85 C.

[7] X-Ray protection: up to 100mGy, equal to airport X-ray machines.

[8] Magnetic protection up to 15,000 gauss, or the magnetic field equivalent of a high-field MRI.

[9] Drop resistant : withstand drops up to 5meters (16.4 feet)*****] Wearout: up to 10,000 swipes.

[5] The above resistances are based on internal tests with the microSD Card and do not apply to the adaptor.

Summary: Samsung MB-MC64S. Capacity: 64 GB, Flash card type: MicroSDXC, Internal memory type:
