Aprašymas

GKS 18V-57-2 Professional: Further information

Product Highlights

The compact sized GKS 18V 57-2 Professional cordless circular saw – with its saw blade on the right – delivers impressive performance thanks to its powerful brushless motor. The 165mm saw blade allows a cutting depth of 57mm in 90° cuts and is optimized for cordless working which ensures both, a fast cutting progress and maximized battery runtime. It features a 360° rotatable dust port connector, which is compatible with the Click & Clean System. This supports high dust-extraction efficiency and ensures an increased user health protection.

Equipment & Application

The GKS 18V 57-2 Professional is for sawing wood and wood composites. It is compatible with Bosch's Professional 18V System. Use ProCORE ≥ 5.5Ah to reach maximum power.

Additional Information

It is equipped with a fast brake, dust blower function, LED light, front handle for perfect control and a spindle lock. It also offers the possibility to attach a separate rafter hook.
