Aprašymas

EXPERT Stainless Steel for Long Life Cutting Stainless Steel Sheet

Cutting sheets of stainless steel is a daily task for metal workers, and also common when fitting kitchens and industrial or office buildings. Professionals who do this work need a blade that is reliable and keeps on going, to avoid the frustration of constantly changing blades.

The Bosch EXPERT 'Stainless Steel' Jigsaw Blade for Thin Material comes in two versions: the T118 AHM for very thin sheets has a very fine tooth pitch; the T118 EHM with medium-fine teeth is therefore the best buy for professionals cutting thin sheets of the highest strength steel or pipes with medium to thin walls.
