Pagrindinės savybės

- ✓ Long Life Sanding Multi Material
- ✓ Exceptional durability is built in with Bosch Carbide Technology
- ✓ Delta shape reaches corners while sanding efficiently
- ✓ Starlock mount for optimum power transfer and convenient blade change within 3 seconds

Aprašymas

EXPERT Sanding Plate for Long Life Sanding Multi Material

Small but tough sanding jobs to remove old material and prepare surfaces for working can be almost impossible with conventional sanders or by hand. Even if you can reach the surface, these jobs destroy sandpaper. With the EXPERT Sanding Plate however, you can reach corners and sand difficult materials with your oscillating multitool.

The coarse, open grains of the RT2 (grit size 20) are best for removing mortar behind tiles; removing carpet adhesive; or rough shaping of wood. The RT4 (grit size 40) is best for removing thick paint but can also tackle mortar and glue if required. The RT6 (grit size 60) is the paint specialist, while the RT10 (grit size 100) is ideal for sanding and preparing clean wood surfaces.

Techninė specifikacija

Technical details

Proper use	Sanding
Sanding surfaces	Hardwood, Softwood
Brand compatibility	Bosch

Grit	100
Sanding plate shape	Triangle
Sanding plate diameter	9 cm
Product colour	Black, Grey
Packaging data	
Quantity per pack	1 pc(s)
Weight & dimensions	
Width	90 mm
Height	85 mm
