Pagrindinės savybės

- ✓ Long Life drilling in stainless steel
- ✓ May come in old design
- ✓ High-speed steel with added cobalt for long-lasting performance

Aprašymas

Looking for drill bits to help you get clean cuts in stainless steel? Drill bits that work fast, deliver precise results, and won't wear quickly? PRO Stainless Steel HSS-Co Twist Drill Bits are strong and won't wander so that you can drill clean and precise holes – time and again.

PRO Stainless Steel HSS-Co bits are a great choice for construction workers and installers who need long-lasting bits to drill in stainless steel and other metals. We made them from premium high-speed steel reinforced with cobalt (HSS-Co) and ground them to ensure great wear and heat resistance. They feature a centring tip so that you can start new holes exactly where you need them. This means you can work faster and enjoy the drill bits' performance for longer.

Techninė specifikacija

Features	
Proper use	Drill
Drill bit type	Drill bit set
Suitable for materials	Stainless steel, Steel
Point angle	135°
Drill bit material	Cobalt Alloy High-Speed Steel (HSS-Co)
DIN compliance	338

Packaging content	
Number of drill bits	13 pc(s)
Carrying case	Yes
Package dimensions (WxDxH)	124 x 107 x 23 mm
Matmenys ir svoris	
Svoris	0,20kg
