Pagrindinės savybės

- ✓ 1 m
- ✓ SFF-8654 8i Straight
- ✓ SFF-8654 8i Straight
- ✓ Male/Male
- ✓ 48 Gbit/s AWG wire size: 32
- ✓ Black

Aprašymas

Reliable high-speed connection for SAS storage: The Slim SAS cable connects internal SAS devices such as hard drives, backplanes or storage solutions directly to controllers and supports data transfers of up to 48 Gb/s.

Optimised for modern storage architectures: Compliant with SAS 4.0 SFF-8654 specifications and suitable for use with RAID controllers, HBA cards, JBOD and DAS systems.

Multi-channel data transfer: Supports up to eight channels with up to 6 Gb/s per channel, enabling parallel connection of multiple storage devices.

Secure connection in server operation: The integrated locking clip ensures that the connector is held securely in place and prevents accidental disconnection in server or storage systems.

In modern server and storage systems, large amounts of data must be transferred reliably and with stable performance. The InLine® Slim SAS cable with SFF-8654 8i connectors enables a direct internal connection between SAS controllers and storage devices.

When setting up server systems, the cable is often used to connect RAID controllers or HBA cards to backplanes or individual SAS hard drives. With

support for eight channels, multiple drives can be connected in parallel.

The cable also serves as an internal connection between controllers and storage modules in storage extensions such as JBOD or DAS systems. The locking clip ensures a stable connection during operation.

Connector: Slim SAS 8i plug SFF-8654

Connector: Slim SAS 8i plug SFF-8654

Standard: SAS 4.0 SFF-8654

Data transfer: up to 6 Gb/s per channel

Channels: 8

Total bandwidth: up to 48 Gb/s

Locking clip on the plug

Techninė specifikacija

Features	
Cable length	1 m
Connector 1	SFF-8654 8i
Connector 2	SFF-8654 8i
Connector 1 form factor	Straight
Connector 2 form factor	Straight
Connector gender	Male/Male
Data transfer rate (max)	48 Gbit/s
Product colour	Black
AWG wire size	32
Weight	78 g
Certificates	
Compliance certificates	UL
Weight & dimensions	
Dimensions (WxDxH)	27 x 1000 x 10 mm
Packaging data	
Package length	24 cm
Package width	150 mm
Package depth	240 mm
Package height	20 mm
Package weight	84 g
Package type	Polybag
Logistics data	
Country of origin	China
