Aprašymas

The POF 1200 AE router enables DIYers to rout grooves, edge profiles or even special mouldings – always with maximum precision and convenience. The powerful 1200 watt motor enables the most demanding projects to be done and ensures a continuous work rate. The Bosch electronic speed control with setting wheel and accelerator switch enables the material to be cut with exceptional precision, while the integrated spindle lock allows for quick and easy changing of the router bits. What's more, the Bosch SDS system makes it easy to insert the template guide without the need for additional tools.

Key product features

- Material-specific preselection of the speed due to Bosch Electronic with setting wheel and accelerator switch
- Easy and fast router bit changes due to integrated spindle lock
- Bosch SDS system enables easy, tool-free insertion of the template guide

Other product advantages

- Powerful 1200 watt motor for demanding tasks in all types of wood
- Dust extraction port – for dust-free working
- Transparent chip guard protects against flying chips
- Outstanding ergonomic design with softgrip for convenient and safe working

Techninė specifikacija

Features
