- ✓ 2x AWG28 + 2x AWG28 wires
- ✓ Overall braiding and foil shielding
- ✓ Gold-plated contact pins, gold-plated clamp
- ✓ In a POS-compatible PE bag with EAN code

Aprašymas

This InLine Micro USB cable with Micro-B plug offers you stable and fast data transfer at up to 480 Mb/s as well as reliable charging of your devices. Thanks to its durable construction and high-quality materials, the InLine USB cable is particularly robust and reliable even with frequent use. Micro-USB is a tried-and-tested connector design that has been specially developed for the requirements of mobile devices such as smartphones, tablets and cameras. The compact design of the Micro-B connector enables a reliable connection, even in the tightest environments.
There are two different designs. Less common is the rectangular **Micro-A connector**(for the host side). In addition to the uniform charging standard **USB-C**, the **Micro-B connector**with its trapezoidal design (device side) is still widely used and installed in many older devices.
Whether data or power transmission, with the high-quality USB cable from InLine you are always optimally connected.
