Pagrindinės savybės

- ✓ 1.8 m
- ✓ Male
- ✓ Female
- ✓ 480 Mbit/s
- ✓ Beige

Aprašymas

Reliable data transfer at up to 480 Mb/s: The USB 2.0 extension cable enables stable, standard-compliant data transfers in accordance with the USB 2.0 standard and is backwards compatible with USB 1.1 and USB 1.0.
High immunity to interference thanks to double shielding: The double cable shielding reduces electromagnetic interference and ensures consistent signal quality even over longer cable runs.
Flexible installation options thanks to various lengths: Available from 0.3 metres to 5 metres for extending existing USB connections as required.
Universal compatibility: USB-A plug to USB-A socket for easy extension of existing USB peripheral connections without any configuration effort.
Retail-ready packaging: Resealable PE blister pack with EAN code label for efficient warehousing and distribution.

The InLine® USB 2.0 extension cable is designed for the reliable extension of existing USB connections. It enables data transfer at speeds of up to 480 Mb/s in accordance with the USB 2.0 specification and is fully backwards compatible with USB 1.1 and USB 1.0.

The version with a USB-A plug to USB-A socket allows for the straightforward extension of existing connection cables. This enables USB peripherals to be positioned flexibly and installation routes to be optimised.
The double-shielded cable reduces external interference and ensures stable signal transmission. The various length options, ranging from 0.3 metres to 5 metres, offer a tailored solution for different installation requirements.
The product is packaged in a resealable PE blister pack with an EAN code label, facilitating structured product presentation and efficient logistics handling.

Interface: USB 2.0
Plug type: USB-A plug
Socket type: USB-A socket
Maximum data transfer rate: 480 Mb/s
Supported standards: USB 2.0, USB 1.1, USB 1.0
Shielding: double-shielded
Packaging: PE blister pack, resealable
Available lengths: 0.3m, 0.5m, 1m, 1.8m, 2m, 3m, 5m
Available colours: beige, black

Techninė specifikacija

Features	
Connector 1 gender	Male
Connector 2 gender	Female
Product colour	Beige
Connector gender	Male/Female
Connector contacts plating	Nickel
Maximum data transfer rate	480 Mbit/s
Maximum data transfer rate	0.48 Gbit/s
Weight & dimensions	
Cable length	1.8 m
Weight	49 g
Packaging data	
Package width	80 mm
Package depth	170 mm
Package height	20 mm
Package weight	49 g
Logistics data	
Package volume	300 cm³
Other features	
USB connector type	USB Type-A
