Pagrindinės savybės

- ✓ QUICKLY ACCESS A 2.5" SATA SSD OR HDD: Connect to a 2.5in SATA SSD (solid state drive) or HDD (hard disk drive) to add storage, perform backups, create disk images, recover data, and transfer content to your laptop; Not Compatible with 3.5in drives
- ✓ COMPATIBILITY: This bus-powered adapter is compatible with 2.5in drives; 3.5in drives require a dedicated power connection; For an adapter that supports 3.5in drives, please see our USB312SAT3
- ✓ FAST TRANSFER SPEEDS: The SATA to USB adapter supports USB 5Gbps data transfer speeds over USB-A, plus you can experience transfer speeds up to 70% faster than conventional USB 5Gbps when connected to a computer that also supports UASP
- ✓ CONNECT FROM ANYWHERE: The hard drive USB adapter cable is a portable solution that tucks away nicely in a laptop bag with no external power required
- ✓ SAVE TIME: The hard drive transfer cable lets you conveniently swap between drives with no need to install the drive inside an enclosure, just plug and play into a USB-A host system; No driver-install required; OS-Independent

Aprašymas

SATA to USB Adapter Cable | SATA III 6Gbps | 2.5" SSD or HDD | USB 3.0 | Portable

This SATA to USB cable is an external drive adapter that gives you quick and easy access to a SATA drive through the USB-A port on a laptop.

Upgrade the Drive on Your Laptop

This SATA solid-state (SSD) or hard drive (HDD) adapter lets you upgrade to an external 2.5" SATA SSD or HDD.

The cable lets you:

• Add drive space
• Perform backups
• Create disk images
• Implement data recovery
• Transfer content between the drive and the laptop

Faster Transfer Speeds with UASP

The cable supports USB 5Gbps data transfer speeds. But, you can experience transfer speeds up to 70% faster than conventional USB 5Gbps, when connected to a computer that also supports UASP. With UASP you can utilize the full potential of a SATA III SSD or HDD. UASP is supported in Windows® 8, Mac OS X (10.8 or above), and Linux®.

In testing, UASP performs with a 70% faster read speed and 40% faster write speed over traditional USB 5Gbps at peak performance.

At the same peak in testing, UASP also shows an 80% reduction in required processor resources.

Connect from Anywhere

The SATA to USB cable is a portable solution that tucks away nicely in a laptop bag -- no external power is required. The cable lets you easily swap between drives with no need to install the drive inside an enclosure. It's plug-and-play and doesn't require drivers.

Note: This product is not compatible with 3.5 in. hard drives. For 3.5 in. drive support, please see our USB to SATA Cable with Supplemental Power (USB312SAT3).

Techninė specifikacija

Performance	
Product colour	Black
Data transfer rate	6 Gbit/s
Plug and Play	Yes
UASP support	Yes
Certification	CE, FCC

Operational conditions	
Operating temperature (T-T)	0 - 60 °C
Storage temperature (T-T)	-10 - 70 °C
Weight & dimensions	
Width	49 mm
Depth	500 mm
Height	9 mm
Weight	42.5 g
Packaging data	
Package width	199 mm
Package depth	145 mm
Package height	25 mm
Package weight	61 g
Packaging content	
Manual	Yes
Technical details	
Compliance certificates	RoHS
Logistics data	
Products per master (outer) case	200 pc(s)
Master (outer) case width	447 mm
Master (outer) case length	428 mm
Master (outer) case height	434 mm
Harmonized System (HS) code	84733020
Other features	
Cable length	0.5 m
Interface	USB 3.0
Compatible operating systems	Windows XP (32/64-bit)/ Server 2003 (32/64-bit)/ Server 2008 R2/ Vista (32/64-bit)/ 7 (32/64-bit)/ 8/8.1 (32/64-bit), Mac OS X, Linux
Chipset	ASMedia - ASM1153E
