## Pagrindinės savybės

- ✓ Superior performance and design USB 3.0 Type A cable
- ✓ Supports SuperSpeed data transfer speeds up to 5Gbps
- ✓ Chrome design ABS housing, 24K gold plated connectors and contacts
- ✓ Triple shielded cable, corrosion resistant, high performance tinned copper conductors
- ✓ SuperSpeed, USB 3.0, 5Gbps

## Aprašymas

Cat.6 S/FTP network cable with support for bandwidth up to 250MHz and features a snagless design with gold plated contacts for ethernet standards up to 1GBase-T.

Cat.6 cable for operating frequencies up to 250MHz in shielded version with braid as overall shield and foil shield for the individual wire pairs (S/FTP). Cat.6 cables are widespread throughout the professional sector. They are ideal for Gigabit Ethernet or AV extension applications. These cables are manufactured and tested according to the ISO/IEC 11801 specification. The cables are packaged individually in a polybag.

The gold-plated contacts ensure reliable, corrosion-free connections over extensive periods of time. A robust snagless strain relief design prevents damage to the connector latch during installation and removal.

The halogen-free sheath material of the LSZH cable makes the product suitable for use in public spaces with its low smoke emission and elimination of toxic halogen emissions.

Techninė specifikacija

| Features                    |                                          |
|-----------------------------|------------------------------------------|
| USB version                 | USB 3.2 Gen 1 (3.1 Gen 1)                |
| Connector 1                 | USB A                                    |
| Connector 2                 | USB A                                    |
| Connector 1 gender          | Male                                     |
| Connector 2 gender          | Male                                     |
| Product colour              | Grey                                     |
| Connector 1 form factor     | Straight                                 |
| Connector 2 form factor     | Straight                                 |
| AWG wire size               | 24/28                                    |
| Connector contacts plating  | Gold                                     |
| Cable jacket material       | ABS synthetics, Polyvinyl chloride (PVC) |
| Conductor material          | Copper                                   |
| Maximum data transfer rate  | 5000 Mbit/s                              |
