Hassle-free setup

For the simplest and most discreet installation, this DP to HDMI adapter connects directly from your DisplayPort video source to the HDMI port on your display. It doesn't need a power source, unlike some converter dongles that require active power and separate bulky video cabling.

Clutter-free installation

At 6.5ft (2m) in length, this adapter cable delivers a compact connection that eliminates excess to ensure a tidy, professional installation. For shorter installations, we also offer a 3 ft DP to HDMI cable (DP2HDMM1MB), enabling you to choose the right cable length for your custom installation needs.

The DP2HDMM2MB is backed by a 3-year StarTech.com warranty and free lifetime technical support.
