Pagrindinės savybės

- ✓ Versatility thanks to wide range of compatible sources, including Bluetooth, FM, and AUX
- ✓ Unique stereo sound due to the possibility to couple two radios with one smartphone
- ✓ Features intuitive operation and quick setup in combination with a handle and hook for vertical and horizontal placement

Aprašymas

Product Highlights

The GPB 18V-2 C Professional is the flexible and portable solution to fill the air of any working environment with music and sound via Bluetooth. Compatible with a wide range of sources, including Bluetooth, FM, and AUX, this set is as versatile as the art of music itself. It is powered via 18V batteries or main AC and provides intuitive operation, quick setup, USB charging and IP 54 protection. It can be placed vertically as well as horizontally and it has both a handle and a hook for easy transportation and storage, further favoured by the radio's compactness. The possibility of coupling two radios with one smartphone facilitates unique stereo sound.

Equipment & Application

This unit is ideal for providing jobsites with radio entertainment as well as smartphone-sourced music. It is compatible with all Bosch Professional 18 V batteries.

Techninė specifikacija
