Aprašymas

Mount your server or networking equipment using this 8U wall mount rack

The RK812WALLO 8U Open Frame Wall Mount Equipment Rack (12in Depth) is a high quality, low cost relay rack that is easy to assemble and install into any environment. The rack can be wallmounted or installed as a free standing storage solution.

Able to accommodate common networking, audio-video and telecom equipment, the open rack offers a depth of 12in; the wall mounts are positioned 16in apart (center to center), making it suitable for mounting on virtually any wall surface, based on North American wall frame stud spacing standards.

This 8U rack can be mounted to the wall in a server room, office, or above a doorway, expanding your workspace and keeping your equipment easily accessible.

Techninė specifikacija

Features	
Rack capacity	8U
Type	Wall mounted rack
Maximum weight capacity	80 kg
