Aprašymas

Mount your server or networking equipment using this 9U wall mount rack

This open-frame 9u wall mount rack provides 9U of storage, allowing you to save space and stay organized. The 19 inch equipment rack can hold up to 175 lb. (80 kg).

Easy, Hassle-Free Installation

The wall mount open-frame rack is 18 in. (45.7 cm) deep, so it's perfect for smaller spaces. It ships fully assembled and features mounting holes that are spaced 16 in. apart, making it suitable for mounting on almost any wall, based on common wall-frame stud spacing.

Free Up Space

You can mount the wall mount open-frame rack where space is limited, such as on a server room wall, office, or above a doorway, to expand your workspace and ensure your equipment is easy to access.

Keep Your Equipment Cool and Accessible

By having an open frame, the small wall mount network rack provides passive cooling to equipment. Additionally, the open frame provides easy access and the ability to configure your equipment, allowing you to maximize productivity.

The Choice of IT Pros Since 1985

StarTech.com conducts thorough compatibility and performance testing on all our products to ensure we are meeting or exceeding industry standards and providing high-quality products to IT Professionals. Our local StarTech.com Technical Advisors have broad product expertise and work directly with our StarTech.com Engineers to provide support for our customers both pre and post-sales.

The RJ919WALLO is backed by a StarTech.com lifetime warranty and free lifetime technical support.
