Aprašymas

Create durable, professional-grade metal labels with the DYMO Rhino M1011 Industrial Embosser Kit. Designed for use with 12-millimetre stainless steel and aluminium label tapes, this industrial-strength metal embossing tool delivers exceptional character legibility thanks to its deep-embossing print. The built-in measuring gauge helps you precisely set the length of your label, while the hole and cable-tie punch lets you create hanging, screw-on, or nail-on labels. Whether you choose to create adhesive or non-adhesive levels, the embosser delivers durable results that can endure extreme conditions.
