Pagrindinės savybės

- ✓ 0.5 m
- ✓ IEC C13 Straight Male
- ✓ CEE7/7 Angled Female
- ✓ H05VV-F 3G0.75 0.75 mm²
- ✓ Black
- ✓ 1 pc(s)

Aprašymas

Maximum operational reliability: The lockable C13 plug prevents accidental disconnection and ensures a permanently stable connection.
Space-saving installation: The angled safety plug allows flexible cable routing even in confined spaces.
Robust construction: The sturdy sheathing and high-quality workmanship ensure a long service life – ideal for professional environments.
Universal compatibility: Suitable for all devices with a C14-type IEC socket – e.g., servers, monitors, IT equipment.
Reliable power supply: Ideal for applications with vibration loads or mobile setups thanks to mechanically secure hold.

The InLine® power cable connects an angled safety plug (CEE 7/7) with a lockable C13 IEC plug. The mechanical lock on the C13 plug ensures that the connection cannot be accidentally disconnected – ideal for installations subject to vibration, in mobile racks, or in hard-to-reach locations.
The angled design of the safety plug allows the cable to be laid optimally even in tight installation areas or directly behind cabinets and devices. The high-quality cable construction is designed for professional use and impresses with its durability and reliable power supply.
The power cable is suitable for many areas of application: Data centers, industry, event technology, laboratories, broadcast environments, and modern IT workstations all benefit equally from the secure connection technology and space-saving design.

Plug type A: CEE 7/7 safety plug (angled)
Plug type B: IEC C13 lockable
Color: Black

Techninė specifikacija

Features	
Product colour	Black
Connector 1 gender	Male
Connector 2 gender	Female
Cable length	0.5 m
Connector 1	IEC C13
Connector 2	CEE7/7
Connector 1 form factor	Straight
Connector 2 form factor	Angled
Connector 1 lockable	Yes
Jacket material	Polyvinyl chloride (PVC)
Cable type	H05VV-F 3G0.75
Number of conductors	3
Conductor cross section	0.75 mm²
Operational conditions	
Operating temperature (T-T)	-10 - 60 °C
Storage temperature (T-T)	-20 - 70 °C
Certificates	
Compliance certificates	CE, RoHS, TÜV mark
Weight & dimensions	
Width	30 mm
Depth	500 mm
Height	45 mm
Diameter	6.8 mm
Weight	97 g
Packaging data	
Quantity per pack	1 pc(s)
Package type	Polybag
Package width	170 mm
Package depth	230 mm
