Aprašymas

The MicroConnect EL Socket with 3 power outlets and a 5-meter cable provides a convenient and reliable power extension solution for your home or office. Featuring a U/J (Type E/F) plug, this white extension cord is designed to meet European standards for safety and performance. With 3 sockets, it allows you to power multiple devices simultaneously, making it ideal for workstations, entertainment centers, or any area where power outlets are limited. Built with premium materials and adhering to stringent European quality standards, this power extension ensures durability and safe operation. Trust MicroConnect's 20+ years of expertise to deliver a high-quality, dependable power solution that meets your needs, offering both convenience and peace of mind.
