Pagrindinės savybės

- ✓ 1.5 m AC outlet types: Type F Power plug type: Type L
- ✓ Indoor
- ✓ On/off switch
- ✓ 6 AC outlet(s)
- ✓ 3500 W
- ✓ 16 A
- ✓ White

Aprašymas

Compact 6-way socket strip with type L plug for professional use in Italy.
6 combination sockets for type F and type L plugs – maximum flexibility when connecting.
35°-alignment of the sockets – ideal for IT devices, power supply units and charging equipment.
1.5 m cable for flexible positioning at workstations or mobile technology setups.
Integrated switch and increased touch protection for efficient and safe working.

The InLine® power strip ITALY in the compact 6-way version is ideal for use in professional environments with an Italian power connection (type L). The permanently installed type L plug enables direct connection to the Italian power grid. The six sockets have a combination outlet that fits both type F plugs (earthing contact, e.g. Germany) and type L plugs (Italy). This allows different device types to be connected flexibly - ideal for international setups and changing requirements.

The sockets arranged at a 35° angle allow easy use even with wider power supply units. The central switch makes it easier to switch several devices

on and off at the same time, which improves energy management. Thanks to the 1.5 m connection cable and increased touch protection, the power strip is both safe and versatile, e.g. for use in technology cases, workstations or training environments.

- Plug type: L
- Socket type: Combination type F / type L (6x)
- Cable: H05VV-F 3G1.0 mm²
- Input voltage: 250 V
- Maximum power: 3,500 W
- Color: white
- Material: plastic

Techninė specifikacija

Features	
Cable length	1.5 m
Placement supported	Indoor
On/off switch	Yes
AC outlet types	Type F
Power plug type	Type L
Power plug form factor	Angled
Illuminated on/off switch	Yes
Core size	1 mm²
Housing material	Plastic
Product colour	White
Ports & interfaces	
AC outlets quantity	6 AC outlet(s)
Power	
AC input voltage	250 V
Maximum input power	3500 W
Maximum current	16 A
Power protection features	Over voltage
Weight & dimensions	
Width	54 mm
Depth	300 mm
Height	38 mm
Weight	358 g
Technical details	
Compliance certificates	RoHS, TÜV mark

Other features

Dimensions (WxDxH)	54 x 300 x 38 mm
--------------------	------------------

Packaging data

Package type	Polybag
Package width	110 mm
Package depth	330 mm
Package height	40 mm
Package volume	2400 cm ³
