Aprašymas

The Neomounts WL15-601BL1 is a tablet casing that can be installed both in portrait and landscape orientation. The tablet casing features an anti-theft lock and can be installed on suitable Neomounts stands.

The strong aluminum construction ensures safe and solid placement while the cable management system enables cables to be routed within or outside of the casing. A cable with a right-angle connector can be useful for the best installation. The clever design includes different tablet inlay panels making the casing suitable for various 10,9-11"* tablets.
