Aprašymas

The MicroConnect GRU003W-SWITCH is a convenient 3-way Schuko Socket with a 1.5-meter cable in white. This power extension solution provides three additional outlets from a single socket, perfect for home or office use when you need to power multiple devices simultaneously. The 1.5-meter cable offers flexibility in positioning your devices. Built with European design and quality standards, this socket ensures safe and reliable power distribution. Trust MicroConnect's 20+ years of expertise for your power connectivity needs, delivering premium quality at a fair price. An essential addition to your electrical setup, offering practicality and reliable performance.
